WAE® TB.CT.7.CH

Our Green is Blue™

WAE TRUBLU Counter top water dispenser is made with innovation and style. The easy-to-use touchless taps make it so much more convenient to use. The machine features a slim design that won't look bulky, even in small spaces, and fits on any tabletop. This water dispenser loads from the top & allows you to spot if the dispenser is running out of water, which is a great feature for office settings.

Saliency

- Innovative & stylish design
- Time-saving operation
- Real-Time electronic display
- Easy to operate and use
- Seamless integration with tea/coffee vending machines
- Large Dispensing area to accommodate bottles upto 1000ml
